

Kärcher has launched on the market the first battery-powered electric broom for commercial users, the EB 30/1 Professional. The professional version includes a second nickel cadmium battery and a quick battery charger instead the standard battery charger. With its roller brush and dirt container, this newly developed model is broom and dustpan in one. It can be used to pick up dirt from hard floors and carpets quickly, quietly (56 dB(A)) and reliably during business hours.

Standard accessories:

- Quick charger
- BC1/1.8
- Brush roller standard
- Safety class III
- telescopic broomstick with handle
