works for you

Reliable and compact vacuum for everyday use

The SALTIX 10 is a basic, well-built, thoroughly reliable vacuum cleaner – the perfect solution for an effective cleaning experience.

”

The SALTIX 10 is ideal for cleaning of hotels, offices, shops or similar light to medium duty applications. With a sound pressure of just 50 dB(A), it makes this vacuum suitable for daytime cleaning of noise-sensitive areas as it causes minimum disturbance to people who are within the cleaning vicinity.

The powerful motor and high quality nozzle ensures superior efficiency and the durable design makes sure that the machine can be relied upon day in and day out. The very high filling capacity of the SALTIX 10 means less time spent changing dust bags and the lightweight design makes it easy to move from place to place.

To ensure the SALTIX 10 is easy to use, features such as accessories, power cord storage and tool parking have been incorporated. Furthermore an ergonomic handle enables the operator to carry the complete vacuum cleaner in one hand. To help with easy maintenance and to maximise safety, an orange detachable power cord is included as standard.

“

The entire machine, including wand and hose, can be carried safely and comfortably in one hand.

”

The robust latch system makes it easy to open for changing the dust bag.

Secure and handy, easy to reach accessory storage.

Detachable orange cord and cord hook for controlled storage.

Parking solution for easy storage.

SALTIX 10
is a durable
lightweight and
user friendly
vacuum cleaner

It's OK to judge the SALTIX 10 by its features

- Low sound pressure level of just 50 dB(A) makes this vacuum ideal for daytime cleaning
- Weighs just 5.2 kg offering effortless movability
- Large 10 litre container with 8 litre dust bag net filling
- Detachable orange cord
- Light weight aluminium tube
- Optional certified HEPA filter available for even higher filtration level
